

Long Italian Lunch Cooking Class

The Stefano Marvello Cucina is located in Bowral, the cultural heartland of The Southern Highlands, a short 90 minute drive from Sydney and Canberra. Guests master the art of homemade pasta while baking traditional Italian village-style bread, smelling the aromas from the simmering pots of pasta sauces. We use fresh and local produce - the best that mother nature has on offer.

Guests experience their own personal gastronomic tour of Italy in 4.5 hours. Guests will discover just how easy it is to make fresh, home-baked bread, pasta, traditional dishes, and of course desserts.
We will cook and eat together - the Italian way!
