Private Barossa Valley Deluxe – 30 Minute Scenic Flight	No. of Pax	RRP PP	NET RATE PP
Experience: Lush, serene views and vast plains await you from the moment you lift off from the heli-pad. Kick back and enjoy some of the best sights we have to offer. First, we will fly you past the charming township of Lyndoch before tracking along the western ridge of the Barossa Valley to Historic Seppeltsfield. Here you will see stunning vineyards contouring the rolling hills, palm tree studded roads and the Seppelt Family mausoleum, which is certainly a sight to behold. From there you will fly over Maggie Beer's farm before veering along the highway, around the Wolf Blass winery, and then marveling at the view over the large limestone quarry near the town of Angaston. From Angaston the view is an awesome 180-degree view of the Barossa valley and beyond. Descend into the valley towards Tanunda, your pilot will point out some of the historic buildings and settlements like Chateau Tanunda and Bethany. Beyond Tanunda is Rowland flat – home of the famous Jacobs Creek Winery where you will view some of Australia's largest wine tanks. From there we take you to the southern end of the Barossa, over the Barossa Goldfields and the Whispering Wall (the Barossa Reservoir) before returning to the Hoffnungsthal Valley.	1	\$750.00	\$562.50

BESPOKE FOOD AND WINE EXPERIENCES

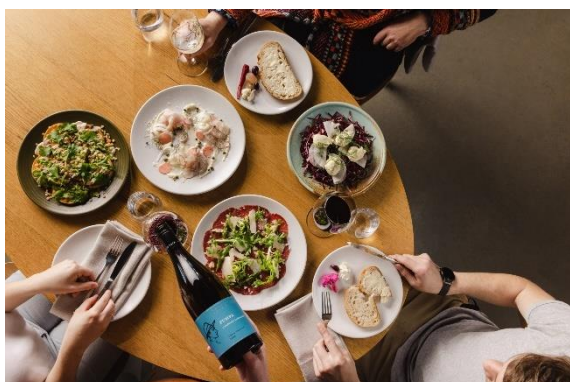

Barossa Valley Behind the Scenes Winery and Vineyard Experience Kies Family Wines	No. of Pax	RRP PP	NET RATE PP
Experience: Nestled in the picturesque Hoffnungsthal Valley, your Barossa Valley luxury helicopter wine experience awaits. Take in breathtaking views of the beautiful old vines from some of the world's most famous wine producers and the stunning Barossa Ranges, before arriving in style at Kies Family Wines for a once-in-a-lifetime experience and a warm welcome. Allow a member of the Kies family to show you the old Shiraz vines of the Kies estate and run you through their sustainable and minimal intervention practices. Kies Family Wines built a spectacular state-of-the-art winemaking facility in 2019. Your private experience includes a tour of the facility, with an overview of the winemaking process and Barossa Valley history. Immerse yourself in true Barossa winemaking with a private tasting amongst the French and American Oak barrels used for maturing Kies Family Wines' premium Barossa Valley Shiraz. All wines tasted are single-vineyard and Estate-grown, and are paired with your first lunch course, the Barossa Valley Produce Platter. Settle into the Kies Family Wines Cafe and while away the afternoon over lunch with 180° views of the Barossa Ranges. Once you are finished your lunch, your helicopter awaits at the Kies Family Wines cellar door to whisk you away for the most incredible views of the Barossa Valley. Reboarding the helicopter to continue your flight over the stunning Barossa Goldfields and the Whispering Wall before descending in to the Hoffnungsthal Valley.	1	\$833.00	\$624.75

Romantic Views and Amazing Wines Pindarie Wines	No. of Pax	RRP PP	NET RATE PP
Experience: Spoil the wine-lover within you with our stunning scenic and adrenaline lifting helicopter ride and winery tour. Flying you straight from our Hoffnungsthal Valley heli-pad, past the quaint southern Barossa village of Lyndoch, tracking right along the western ridge of the Barossa Valley before descending in style at Pindarie Wines. We know this trip will have made you thirsty, so you will be greeted by your winery host upon your arrival who will guide you through a tasting and the fascinating history behind Pindarie. Once you've finished your tasting, choose your favourite wine to enjoy with one of their famous "Pindarie Pie" dishes. After lunch re-board the helicopter and it's time to take your breath away! Our pilot will fly you past towards Historic Seppeltsfield Winery, so you can take in the breathtaking views of vast vineyards and palm tree studded roads. Then as you continue towards Nuriootpa, your pilot will point out Maggie Beer's farm and the famous Penfold's Winery. You can also see the stunning old buildings of Chateau Tanunda and numerous historic churches as you fly across the valley floor. As we fly further south, get ready to enjoy a view over Jacob's Creek Winery, home of some of the largest wine tanks in Australia. From there we take you back to the southern end of the Barossa, gliding over the Barossa Goldfields and the Whispering Wall before descending back into the Hoffnungsthal Valley.	1	\$1260.00	\$945.00

OUTBACK PUB EXPERIENCES

Outback Experience - Wheatsheaf Pub	No. of Pax	RRP PP	NET RATE PP
Experience: If you love amazing food and entertainment, experience our flight from Hoffnungsthal Valley to the Wheatsheaf Hotel. Leaving from our heli-pad, we will fly north over Rowland Flat (home of Jacob’s Creek and its huge wine tanks), with plenty of time to admire the view. Once we’re over the valley floor, we head northwest over Tanunda; Nuriootpa then direct to Allendale. Landing right next door to the Wheatsheaf Hotel. Here you will be looked after by Mark and Chelsea, these guys know how to entertain, and they have awesome food! You might even meet local legendary horseman; Tom Willoughby will roll in for a yarn (he’s full of tall stories!) He might even arrive on one of his beautiful movie star horses, really, they have acted in movies with Simon Baker and Sam Neil!! They all love a good scratch, selfie and will wait patiently while Tom has a beer with you! After lunch we take the return flight over Historic Kapunda. Kapunda’s claim to fame is that the town is home to Australia’s most haunted hotel, The North Kapunda Hotel. Just to the south of the town is one of Australia’s “Big Things” – Map the Miner, heading home to the Hoffnungsthal Valley past Greenock.	1	\$1260.00	\$945.00

Murray River and Outback Pub - Mt Mary Hotel	No. of Pax	RRP PP	NET RATE PP
Experience: In the mood for a pub meal? This may be the most exciting entrance you've ever made at lunchtime. Treat yourself to a once-in-a-lifetime flight departing Lyndoch and heading east towards Blanchetown, following the Murray River north towards Murbko before tracking west to the historic Mt Mary Hotel in the middle of nowhere. The hotel, which was built in 1894 and is full of old-world charm, is located 150km from the Adelaide, on the Thiele Highway between Eudunda and Morgan and we land right outside the pub! Heading inside you can enjoy a cold one or two and an amazing country pub meal of your choice from their extensive menu... lobster, steak, seafood platter or a parmy? After lunch, re-board the helicopter for the journey back over the Barossa Ranges, popping up over Truro and the beautiful town of Angaston. The Barossa valley is a stunning green oasis. Floating down the valley floor, you finish off the afternoon by passing historic buildings before descending finally into the Hoffnugsthal Valley.	1	\$2891.00	\$2168.25

Haunted Outback Experience - Overland Corner Hotel	No. of Pax	RRP PP	NET RATE PP
Experience: The landscape will change from beautiful rolling hills to flat red country as we fly north-east to the Historic Overland Corner Hotel. Thousands and thousands of hectares of farming country! As we get closer to Overland Corner you will start to see vegetation swap lands of the Murray River. Overland Corner originally was a camping ground for local aboriginal people and drovers, over time developed as a point where timber was supplied to the fuel the paddle steamers taking prospectors up the Murray. The first hotelkeeper's licence for the Overland Corner Hotel was granted to William Brand on 13 March 1860. The Hotel is the oldest building in the Riverland and is one of South Australia's most haunted buildings. #1 Voted BEST COUNTRY PUB in SA 2021, WOTIF AWARDS / Last Minute / Expedia! After having a history tour of the pub, relax and enjoy a drink or two from the largest selection of Independent and Local Craft Beer / Spirits / Wine in the Riverland and discover why this little pub is a multiple Award-Winning Pub Restaurant with a focus on Local Produce. After your hauntingly amazing time with the locals, we start our return journey to the Barossa Valley, heading west along the Murray River for a short time before "<i>heading for the hills!</i>" towards Truro and Nuriootpa. Tracking south over the Valley we will see many beautiful wineries towns and the ever-changing landscape before arriving back in the Hoffnugsthal Valley.	1	\$3540.00	\$2655.00

TERMS AND CONDITIONS OF FLIGHT WITH BAROSSA HELICOPTERS

Weight restrictions:

- Each flight has a maximum total weight limit including fuel, passengers etc.
- Maximum individual weight is 130kg.
- All up *combined* maximum passenger weight is 270kg.
- Please inform us at the time of booking ALL accurate passenger weights.

Weather:

- Barossa Helicopters reserves the right to change flights due to weather conditions or other operational considerations. The pilot's decision is final – regardless of the occasion.
- Your safety and that of our pilot's and aircraft are the Number 1 Priority!
- If you are travelling long distances to fly, please let us know at time of booking. This way we will discuss a time to make the call if the weather does not look promising.

No Pets Allowed:

- Do not bring your pets on to our property.
- This applies to your dog, who you think is human, so please do not be offended if we ask you to take the dog off site.
- We take bio security very seriously. Based on a working farm with livestock and vineyards, we do not want disease being spread.
- Exception to this rule is special needs dogs, BUT they are not allowed to fly.

Cancellation Policy:

- Clients that are a "NO SHOW" will forfeit the cost of the entire booking.
- Full cost of booking will be charged if cancellation is made inside 24 hours of booked flight time.
- No charge outside 48 hours.
- Full refund will be made available to customers in the event of a cancellation of the flight by Barossa Helicopters Pty Ltd due to adverse weather or any other unforeseen event.

Rescheduling:

- We are happy to reschedule your flight with the above cancellation policy in mind. If you need to reschedule due to not travelling to South Australia for a period, we will cancel and refund according to above Cancellation Policy.

Surprises and Proposals:

- If the flight is a surprise or a wedding proposal, please advise us (*by phone or email, not just on booking*) of the special occasion so that we can best coordinate with you to make it a special time.

Physically or intellectually disabled clients:

- Please call us on 08 8524 4209, to discuss options of taking your loved one on a tour with us!
- Each person is different, and we can cater to most disabilities with prior notice.
- We have a golf buggy to assist people with walking difficulties out to the helicopter.
- We can remove the door to help someone get in the helicopter with limited mobility.

No Smoking:

- The Barossa Helicopters base is non-smoking for all clients and customers.

Payment Options:

Booking via ANY website:

- Full payment at time of booking.

Booking via phone directly with Barossa Helicopters:

- Credit card details supplied at time of booking, no payment will be processed unless we are instructed to do so by the person making the booking and in accordance with our cancellation policy.
- Full payment must be made prior to take off on the day of your tour.

Payment methods:

- Cash is accepted.
- VISA & Mastercard accepted.
- Afterpay and ZipPay.

Photo Identification:

Photo identification of the person making payment is required instore.

Children:

Children 4 and under are not able to fly.

Each person is required to have their own individual seat regardless of age. A child must be able to sit independently on their own seat. We do not allow children to sit on laps.

FREQUENTLY ASKED QUESTIONS

Is Barossa Helicopters an accredited operator?

YES. We are Tourism accredited, Civil Aviation Safety Authority approved and have all the necessary public liability insurances.

What should we wear?

The helicopters can get quite hot during the Aussie summer months and cooler during the winter months, so dress comfortably.

If you plan to take photographs, we recommend darker colours to reduce any window reflections.

Ladies, please wear flatter shoes.

Hats, bags, or any loose clothing are not allowed to be worn in or around the helicopters as they can fly up into the rotors and damage the aircraft. We will be happy to hold any hats or bags for you until you return from your tour.

Can I take a camera?

Yes, we encourage you to bring your phone or camera, to help you remember your fabulous time at Barossa Helicopters. We do not allow selfie sticks inside or around our helicopters.

Do you recommend taking an anti-motion sickness medication?

This is a scenic tour, not a thrill ride. Most people do not experience motion sickness. Our flights are smooth, and turns are slow and gentle. We recommend that if you are prone to motion sickness, that you do not use your camera or phone. Looking at these screens can create distorted vision, which can cause motion sickness. If you are particularly prone to motion sickness an anti-motion sickness medication is a good idea.

When is the best time to fly?

It is wise to book a tour early in your stay, that way if your pilot determines that weather conditions on a particular day is not the best for your tour, there will be options for re-scheduling.

As far as the best time of day for a helicopter tour you should consider your personal schedule. Most of the

time we have nice weather; during summer it can get quite hot, so it is best to schedule your flight for early morning. If we happen to have rainy weather, the pilot will consult the weather forecast and actual conditions to determine if it will be safe to fly.

We do not take our guests on a tour unless we are certain we can give you an excellent experience. Apart from not being enjoyable, rain does damage the helicopters blades. The pilot's decision is final, regardless of the occasion.

How much experience do your pilots/ground crew have?

All pilots at Barossa Helicopters have a high level of flying experience and local knowledge. Our ground crew are very experienced in all aspects of loading and unloading passengers and or cargo.

Are the helicopters air-conditioned or heated?

Yes, both.

How long has Barossa Helicopters been in business?

The company began in the mid 1980's. We ARE South Australia's oldest helicopter company, flying many thousands of hours / client's accident and incident free.

Are we guaranteed to see all the sights mentioned in your tour descriptions?

You will see every point of interest mentioned in the tours if weather permits.

Does Barossa Helicopters offer charter, tailored packages, or commercial work?

Yes, we are a helicopter charter company. Besides scenic tour flights, we also offer transport to the corporate sector – or anyone who has a limited amount of time to complete their work. We are highly experienced in still photography, movie filming as well as aerial surveys. We will fly you where you want to go, at whatever time you prefer, provided our equipment and personnel are available.

What are Barossa Helicopters hours of operation?

We open for flights between 10 am and close at 4pm, Australian Central Standard Time.

However, if your needs do not fit into our standard hours, we are happy to fly anytime, by arrangement and aircraft availability, some fees may apply. Bookings are essential on weekends. We do not want you to miss out!!!

Will we be the only ones in the helicopter?

Yes, you will be the only passengers in the helicopter. We do not join groups.

Is there an age limit?

Yes, children 4 and under stay on the ground with a family member. Each person is required to have their own individual seat regardless of age. A child must be able to sit independently on their own seat. We do not allow children to sit on laps. However, we do not have an upper age limit.

Can I fly while pregnant?

Yes – the decision to fly at any stage of your pregnancy is entirely up to the individual. There are no pressure changes or manoeuvres that could cause discomfort.

Are there weight limits?

Yes, each helicopter has an individual seat limit and an all-up weight limit. Please check terms and conditions or call us. Please see Terms and Conditions – Weight Restrictions.

How is the seating arranged?

The Robinson R44 is a 3-passenger helicopter. Seating is assigned according to weight and balance calculations. Please do not promise anyone in your group a specific seat (especially children), we cannot guarantee specific seating as it depends on the weight of all the guests booked on a particular flight. Visibility for all passengers is excellent as there is no separating bulkhead to obscure the sweeping view from each seat.

TOUR PROCESS - EXPLAINED

Check in:

When you come to the main office, you be greeted by our friendly staff.

There are some formalities we need to get out of the way before flight. Passenger manifest and safety briefing, these are required by Australian Civil Aviation Law.

All aspects of YOUR safety will be covered in a safety briefing. Please listen carefully!

Pre-flight:

These items need to stay behind: hats, bags, scarves, anything loose (including selfie sticks). Either our staff will care for them or return them to your vehicle.

Cameras, phones, sunglasses are ok to fly with.

Our ground crew will escort you to the helicopter, before you board, they will show you where to stand to have your photo taken next to the helicopter. Using YOUR CAMERA or PHONE.

Boarding Helicopter:

The Ground Crew will also determine the best seating arrangements – this is according to individual size/weight. Children will always have their own seat and generally will be in the back seats. Please do not promise the front seat to any person.

Once inside the helicopter:

Once seated, the ground crew will ensure your seat belt is fastened correctly. You will also be assisted with putting on your headset, allowing you to communicate with the other passengers and pilot. The Ground Crew will ensure the doors are closed correctly.

Everything in the Green & Good to Go:

The pilot will explain what he/she is about to do and when they are ready for take-off. Remember your pilot has done this many times and if you feel a little un-easy, please tell him/her and they will be able to talk through the process as it is all happening. The pilot will point out some of the famous landmarks and icons of the Barossa Valley. If there are any questions, do not hesitate to ask.

Arriving at your chosen winery/pub/venue (food & wine, outback pub or tailored packages only):

We will land you as close to the venue as physically possible to ensure the "Rockstar" arrival!

We ask you to remain inside the aircraft until the pilot has shut the aircraft down and opens the doors.

At this time, the pilot will let you know the departure time from the venue.

They will then with you inside the venue and introduce you to the staff member who will guide you through your experience.

After your experience at the winery the pilot will help you back into the aircraft and shut the doors for you.

Arriving back at Base:

Once you are back on the ground at our base, the pilot will once again shut the aircraft down or one of our ground crew will help you disembark and take you back through to our reception where we say our goodbye's!

On your way out:

Our ground crew can help with local recommendations for lunch or wine tastings. They will ask if you have a local visitor guide.

We enjoy hearing about your experience! We take pride in helping others enjoy a special milestone, or just seeing the region from above! Please share your comments on Google and TripAdvisor or share your photos on Facebook and Instagram!
