

How to book tickets on
opera.org.au

Log into opera.org.au. “Sign In” is found in the top right corner.

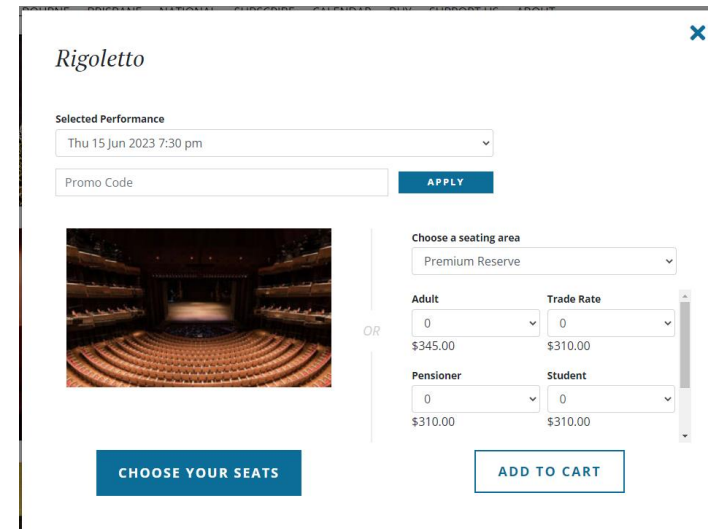

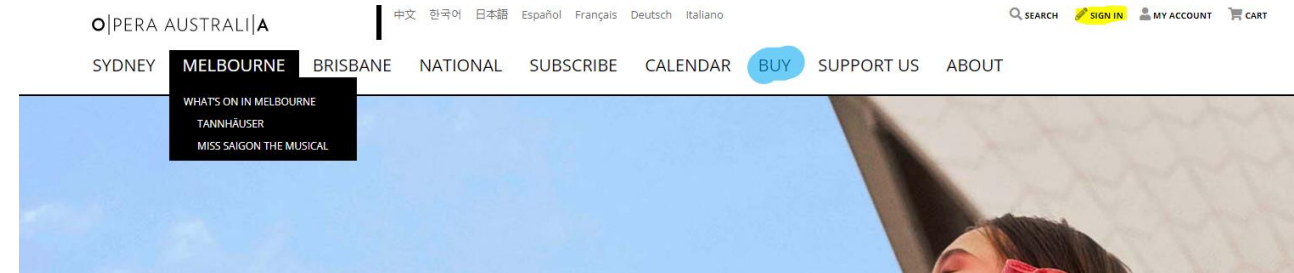

Once logged in, tickets can be booked by clicking on the “BUY” button.

Find the show that has been requested and select “BUY TICKETS.”

A prompt will appear to select the performance date and time. Once selected, you will be shown two options, Choose Your Seats or Best Available. It is *highly recommended* that you select Choose Your Seats.

Select the floor that is requested by clicking on the seat map.

Both floors tend to have Premium – D Reserves.

Once selected, you will be able to view the available seats that are coloured by price zones. Hovering over the seat will show you Row, Seat Number, and Trade Rate.

Clicking on the seat will show you the pricing available. Always use the **Trade Rate** price and Add to Cart when done.
