

G'DAY GROUP NETT RATES

(Valid: 01 April 2024 – 31 March 2025)

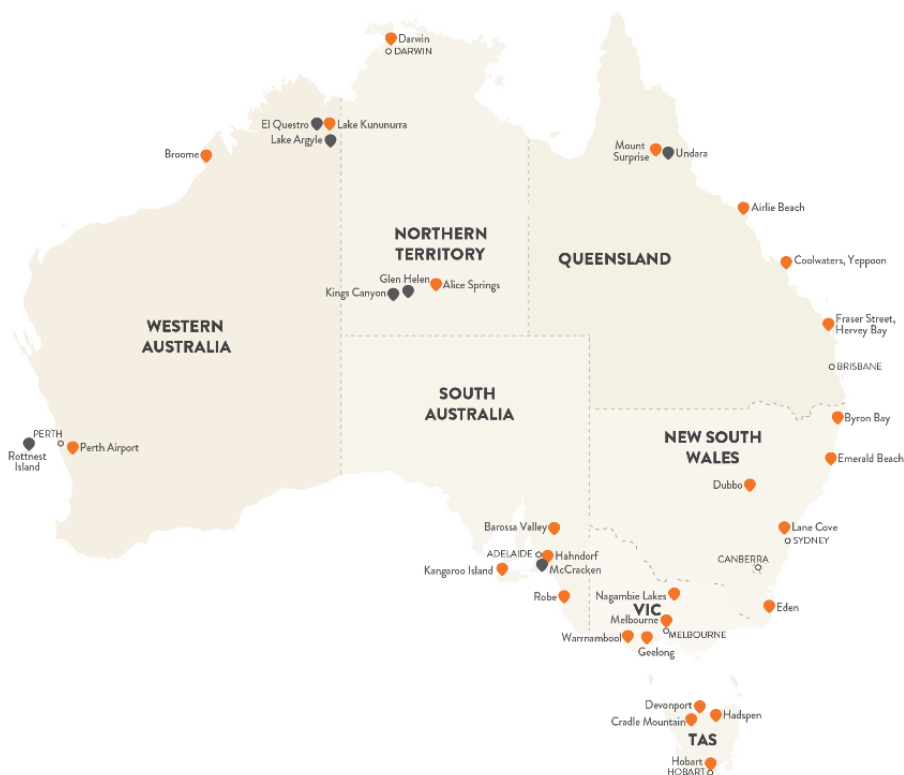

G'day Group is Australia's leader in regional accommodation experiences across some of Australia's most spectacular destinations.

Across our network, we offer a range of the best regional accommodation, tourism and hospitality experiences. Each year, we welcome thousands of guests from across Australia and abroad who are seeking to discover the best that Australia's regions have to offer.

We have a number of new and exciting locations and experiences across our portfolio, which we look forward to promoting with our trade partners for the 2024-25 travel year.

G'day Group is pleased to offer you Nett rates (contracted at **20%** off the Gross static rate). We have selected the key tourist properties throughout our portfolio to offer you static rates; please see map below and list on the following page (with links to the corresponding property rate sheets).

This year we have streamlined our agreements and contracting process. This document outlines all contracted properties, inventory and experiences relevant to Groups and FIT. Please refer to *Appendix B* for the Distribution Agreement.

As our portfolio is growing, we wanted to ensure a clear and easy way to distinguish our properties, providing our valued trade partners and guests with clarity on where they are staying, and what to expect. With this in mind, we have consolidated a number of different brands to align under the G'day Group banner.

Introducing **Discovery Parks** and **Discovery Resorts**.

At this stage, **El Questro** and **McCracken Country Club** will remain under their own separate well-known brands.

Discovery Parks

Settle in, explore and play. Known for features like swimming pools, jumping pillows and nature playgrounds. The extra special touches throughout these parks make them an ideal holiday 'home base' for all types of travellers. This accommodation generally includes sites and self-contained cabins with all the comforts of home for your guests.

Discovery Resorts

Everything you need for your holiday in one location. Packed with impressive features and facilities, which could include onsite restaurants, immersive experiences and experiential accommodation options. These properties are as much the destination as the location itself.

Please see below all contracted properties and which brand they fall under.

Static Rates:

MLOS & Stopsells: Please note all properties are subject to minimum length of stay restrictions per the contracted rates. These contracted restrictions apply to FIT bookings only. From time to time the rate may be stop-sold, based on occupancy and demand.

Packaging: You may only re-sell these contracted rates as part of a package; this is imperative to ensure your contracted rates remain opaque and not exposed to the market.

Example: you cannot sell 1 night at Discovery Rottnest Island, without packaging it up with ferry and/or day touring components.

Dynamic Rates:

G'day Group is also able to offer ad-hoc dynamic rates for the non-contracted properties. Should you receive an enquiry from your clients, please reach out to us and we will assess the request accordingly. All requests are assessed based on occupancy and demand for the period, with a rate determined by our Revenue Team.

Experiences – Activities, Food and Beverages:

Please note experiences (ie. Activities and food and beverage) are NOT always fully commissionable. Please see relevant rate sheets for applicable nett rates.

Payment terms:

G'day Group offer all trade partners credit terms, subject to the completion of a credit agreement when establishing an account with us.

- All accommodation bookings will be issued an invoice on the day of arrival, or in the event that the booking cancels and fees are incurred, with 30-day payment terms.
- Upon making a payment, the remittance advice should be emailed to:

 - elquestro.remittances@gdaygroup.com.au for bookings at El Questro - Station, Emma Gorge or El Questro Homestead
 - trade@discoveryparks.com.au for bookings at all other Properties

Our Trade partners will be invoiced for all components which are added to the booking, prior to the guest arriving.

Example: If you request accommodation, transfers, activities or meals prior to the guest's arrival, these will be invoiced to you upon guest's check in. Should the guest contact us directly to add touring or additional requests to their booking (Prior to their arrival), they will be directed to arrange these with their booking agent.

Any charges added by the guests upon their arrival or throughout their stay, are considered as incidentals and will be settled by the guests directly.
