Our Fleet

We offer 3 beautiful Sailing Catamarans for Charter on the Gold Coast Broadwater. Our catamarans share many common features offering comfort, space and style to assist in creating a social atmosphere for your cruise. The popular trampoline-style foredeck areas are perfect for lazing in the sunshine with a glass of bubbly in hand to the sounds of your favourite tunes.

The shallow draft make the vessels perfect for pulling up onto a beach during the day where you can enjoy complimentary use of our fun splash mats, SUPs, beach volleyball and beach games.

We also love hoisting the sails whenever possible to offer the full experience!

Our private charter packages are exclusively on our most luxurious vessel Oceans, with further details on our next few pages.
