TERMS & CONDITIONS	
Bookings	Bookings require your Reference No and advice of payment details.
Child Policy	Minimum age for children to participate is 8 years of age. However, for our private custom group tours, we offer more flexibility regarding age restrictions to accommodate the unique needs of your group. While we welcome guests of all ages, we advise that children under 3 years old may not be suited for the full extent of the tour activities, especially swimming in certain locations. Although we can adjust our itinerary to be more child-friendly, please note that we do not provide car seats, and children are not permitted in the front seats for safety reasons.

	It's important to consider the length of the day and the activities involved when deciding if the tour is appropriate for your children. We aim to ensure that our tours are enjoyable for all participants, and we're happy to discuss modifications to make your private charter experience perfect for your group's needs.
Safety Guidelines	• Pregnancy: We don't recommend the tour if you're 37 weeks or later pregnant. • Fitness/Swimming Levels: We cater to everyone's pace, size, and ability. • Medical Conditions: Please inform us of any diet requirements, allergies, surgeries, impairments, or disabilities that may affect your enjoyment during the tour.
Additional Charges	Fuel and carbon levy surcharges may apply. These are payable directly to the tour operator.
Transfers to Departure Point	Transfers are included in all rates.
Cancellation Policy	Our cancellation policy for group bookings is designed to accommodate the planning and resources involved in creating your custom adventure. Here's how it works: • More than 31 days before departure: We retain a 10% administrative fee. • 11-31 days before departure: A cancellation fee of 25% applies. • 4-10 days before departure: A cancellation fee of 50% applies. • Less than 72 hours before departure: Unfortunately, we cannot offer a refund. In the event of a cancellation by Barefoot Tours, you'll receive a full refund. For bookings made through a Travel Agent, please consult their terms and conditions, as they may have different policies.
Weather Policy	While we aim to provide a seamless tour experience, we cannot control the weather, so unfortunately we can't be held responsible for unforeseen changes to the itinerary due to factors like weather, road conditions, or natural events. However, we do our best to make each and every day enjoyable, rain or shine. Cairns wet season usually runs from December to late March. During this time we still are fully operational, and tours still run regardless if it is raining. Embrace the adventure; rain is part of the Cairns experience. However in more severe weather conditions, management reserves the right to cancel or reschedule a tour at any time due to unsafe weather conditions. In the event of cancellation, a full refund will be provided.
