ANIMAL INTERACTIONS AVAILABLE AT MARU:

(Note: Admission fees to the animal park apply and then these animal interaction products are an additional fee and cannot be purchased as a stand-alone product.)

Upon arrival visitors can individually choose to purchase a unique up close Animal Interaction. We foster and promote positive animal welfare experiences where visitors are able to enjoy meeting and touching the animals in a manner that does not compromise the welfare or safety of the animal or visitor. They can take unlimited photos on their own camera whilst they learn from the keeper about the species. Professional photo prints in a souvenir folder are also available as a memento of their experience.

MEET A KOALA:

Go right inside the koala area where visitors can touch and hand feed a koala, up close at eye level.

MEET A DINGO:

Pat and cuddle one of our very friendly dingoes.

MEET A REPTILE:

Meet one of our snakes or lizards and feel its scales, under the watchful care and guidance of one of our keepers.

For a full list of animal interactions available to FIT visitors at Maru please visit our website <https://www.marukoalapark.com.au/maru-animal-experience/>

NOTE: The welfare of our animals at Maru is important to us, so the availability of animal interactions is always at the Keepers discretion. Encounters may be unavailable in extreme heat or wild weather conditions to ensure there is no stress placed on the animals or risk to the guest.
