ABOUT US

Product Blurb & Commitment to Sustainable Tourism

Product Blurb

If you are looking for an exciting and once-in-a-lifetime experience in the Northern Territory, then look no further. A Segway tour at Uluru will keep everyone transfixed and engaged as they explore and learn about this incredible Australian icon.

Our public tours are limited to 10 participants per guide, to ensure that travellers have the opportunity to build a connection and learn interesting stories and facts about local Anangu culture; Uluru's history, geology, flora and fauna. For those who prefer private touring, this is also available.

Our Uluru's Best & Segway Tours combine exploring on a Segway to take in the the most scenic vistas at Uluru with guided walks to view ancient Aboriginal rock art and learn more about Anangu culture.

Our Uluru Sunrise & Segway Tour & Uluru By Segway (Self Drive tour) enable guests to circumnavigate the full 10km (6 mile) base of Uluru on a Segway.

Commitment to Sustainable Tourism

Our tours are a culturally sensitive and sustainable choice.

2.5% from every tour sold goes back to the local Indigenous Community, Mutitjulu, via the Central Lands Trust.

In addition to this we:

- Use environmental best practices to ensure that our operations are in line with Eco Star Accreditation Standards.
- Support local activities & events, such as Mutitjulu Community's annual picnic day and Christmas party.
- Where possible provide training and employment opportunities to Anangu.

- German
- Spanish

Audio information is triggered using GPS technology allowing guests a hands free experience.

If your guests require an audio commentary device please notify us at the time of booking so we can reserve a device.

Participant Fitness Requirements

Segway riding is an adventure activity. We recommend it as a suitable activity for visitors aged 12 -55 years old.

Visitors above 55 are able to enjoy Segway riding, however should consider their individual suitability and fitness before booking.

All participants must:

- Be above 12 years old
- Weigh between 45-117kg (99-260 lbs)
- Have the balance, vision, coordination and fitness to ride a bicycle
- Be fit and healthy and free from injury/history of serious injury, illness and balance or vision impairments
- Be free from drugs or alcohol.

This activity is not suitable for those above the age of 65 years, or those with a history of serious spinal, hip or knee injuries. Unfortunately pregnant women are unable to join this tour.

If unsure of participant suitability, please contact Uluru Segway Tours to discuss.
