

BRISBANE WHALE WATCHING

OUR VESSEL 'MV EYE SPY'

MV Eye Spy is beautifully appointed on the inside, and the cinematic floor-to-ceiling glass ensures that passengers have a clear view of the majestic Humpback Whales.

Speciality designed propellers minimise underwater noise while her electronically controlled engines reduce the exhaust emissions ensuring minimal impact on the delicate marine environment.

MV Eye Spy is a purpose built whale watching catamaran. Options include the luxury VIP Captain's Lounge located on the elevated Mid Deck level. The Main Deck offers a choice of Premium Window Seating and Standard Seating. All cabins are climate controlled, spacious and comfortable.

All options allow access onto the 6 viewing decks to observe amazing whale behaviour and abundant marine life.

Wheelchair friendly / Eco Accredited / TripAdvisor Certificate of Excellence.

An unforgettable marine adventure!

THE WHALES

The Warm crystal clear waters of Moreton Bay has now become the preferred breeding grounds where mothers give birth to their babies. They stay for many days to bond, feed and play, an adorable sight for anyone to see.

Intelligent and naturally curious mammals, they greet their visitors, displaying playful behaviour with dolphins that will both charm and inspire you. You will be struck by their magnificent grace as these gentle giants breach, blow and frolic only metres away!

Humpback whale song can clearly be heard with our latest directional Hydrophone.

CAPTAIN & CREW

Your Captain Kerry Lopez is recognised as the only female captain that owns and skippers a whale watching venture in the South Pacific rim.

Kerry's skilled and dedicated friendly crew will assure you an unforgettable whale watching adventure.

Kerry is proud to be Eco Accredited.

CRUISE INCLUSIONS

- Guaranteed whale sightings*
- Expert marine commentary
- Beautiful picnic lunchbox including tender chicken breast, leg ham, fresh salads with a side serving of seasonal fruit
- Licenced bar, barista coffee, souvenirs and snacks also available

The Moreton Bay Marine National Park is home to abundant marine life including Bottle Nose dolphins, Loggerhead Turtles and a variety of bird life. Prepare yourself for an unforgettable experience and don't forget to bring the camera!
