OTHER MARINE ANIMALS

Six of the seven species of sea turtles in the world are found in Moreton Bay.

Moreton Bay is home to both the Indo Pacific Bottlenose and Australian Humpback Dolphin

Hammerhead sharks and the threatened grey nurse sharks all call the marina home.

Moreton Bay's dugongs are commonly found in large herds of about 100 animals.

Morton Bay Marine Park is home to over a thousand species of fish.

Approximately 3,500 resident shorebirds representing 10 different species breed in and around Moreton Bay
