_ THE ART OF FINE WINE & GASTRONOMY - A BEHIND THE SCENES
TOUR

Discover the true art of fine wine and fine dining with this immersive experience for two.

At Ten Minutes by Tractor we strive for continual improvement and innovation in all that we do - both in the vineyard, winery and our restaurant. During this experience, our host will provide guests with a deeper understanding of our philosophy and what it takes to produce wines and a dining experience at the highest level.

Start your journey with a premium masterclass in our award winning cellar door surrounded by rolling hills and vineyards. Here, our host will guide you through a wine tasting of our best premium and single vineyard wines.

Following this, you'll be given a tour through our high density Gabrielle vineyard; meander through rows of vines, learn about this unique vineyard (and the 67cm wide tractor used there), the nuances of cultivation and what it takes to craft the perfect glass of wine.

After taking in the beautiful surrounds, enjoy a glass of Blanc de Blancs in the underground restaurant cellar while you explore the extensive collection of local and internationally acclaimed wines.

Complete your journey of discovery with a five course tasting experience in our two hatted restaurant paired with back vintage wines from Ten Minutes by Tractor and our award winning restaurant wine cellar – voted the best in Australia.

At the conclusion of your meal, you will receive a bottle of 10X Pinot Noir complete with personalised gifting to continue your journey of discovery at home.

Discover the art of pairing wine and cheese in this guided experience at Allis Wine Bar + Bistro. This intimate tasting offers a sensory exploration of how carefully curated wines and cheeses can enhance each other’s flavours. Hosted by one of our knowledgeable wine hosts, you’ll be guided through four pairings – two white wines and two red wines from our award-winning winery – thoughtfully matched with a selection of locally sourced cheeses. Each pairing highlights the unique characteristics of our cool-climate wines and the complementary notes of the cheeses. During the experience, your host will share insights into our story, the distinct terroir of the Mornington Peninsula, and the nuances that make our wines ideal for pairing. You’ll also learn how different styles of wine interact with various cheeses, enhancing your understanding of flavour profiles and pairing principles. This is a relaxed yet educational opportunity to savour our wines, enjoy exceptional cheeses, and deepen your appreciation for the craftsmanship behind each.
