Peninsula Hot Springs

Peninsula Hot Springs is the first natural hot springs, day spa, and wellness destination in Victoria.

Natural geothermal mineral waters flow into the pools and private baths at this award-winning coastal oasis, providing an idyllic setting for relaxation and rejuvenation.

eco lodges

Eco Lodges at Peninsula Hot Springs offer a tranquil sanctuary where individuals, couples, and groups can connect with nature, rejuvenate and experience restorative sleep.

Designed with sleep wellness at their core, the luxury accommodation features fillable geothermal baths, immersive soundscapes, limited blue light exposure, and sleep-enhancing amenities—ensuring a holistic focus on mind, body and spirit.

Each room includes self-guided wellness content, such as sound and movement experiences, along with sleep masks and mineral salts to further enhance the sleep experience. Guests can also savour curated seasonal menus crafted with rest-aiding ingredients.

Nestled within the bathing area and overlooking a private lake, the Eco Lodges blend thoughtful architecture with nature, creating an ideal environment for rest and rejuvenation. Guests enjoy full access to the hot springs for bathing, nutrition, and movement activities, as well as a complimentary wellness session and buffet breakfast.
