Sydney Seaplanes and **Broken Bay Pearl Farm** have partnered to deliver a truly one-of-a-kind experience, right on Sydney's doorstep.

Take to the skies from iconic Sydney Harbour aboard one of Sydney Seaplane iconic aircraft, soaring over glittering coastlines, secluded beaches, and the winding waterways of the Hawkesbury. Touch down on the river at Broken Bay Pearl Farm — NSW's only pearl and oyster farm — for the exclusive Shell to Showroom experience. This rare, behind-the-scenes journey unveils the story of the Australian Akoya pearl, from nurturing oysters in pristine waters to the meticulous grading and selection that define each gem's unique beauty and value.

Savour a gourmet lunch of freshly shucked local oysters and a grazing platter, paired with fine wine, while overlooking the sparkling waters that nurture them.

Your journey concludes with a return to Sydney — either by seaplane, soaring past the Opera House and Harbour Bridge before touching down at Rose Bay, or luxury car transfer, direct to your Sydney city hotel.
