About Central Studio Hotel Sydney

Located near Central Station, our hotel offers 116 guest rooms, including 74 twin-configurable rooms, along with a restaurant on the ground floor. The surrounding Haymarket area provides a wide variety of dining options, ensuring convenience for all guests.

We are proud to offer one of Sydney's most

The vibrant diversity of Haymarket is unmatched—close to the University precinct, the Powerhouse Museum, Darling Square, Circular Quay connections, and the shopping district along George Street.

Chinatown is just moments away, with Surry Hills also within easy reach. Whether walking or taking the light rail, access is effortless.

Central Studio Hotel Sydney is an effortlessly chic boutique-style property featuring clean lines, contemporary design, and minimalist comfort. Our rooms offer pillow-topped king beds, 50" smart TVs with app streaming, high-speed Wi-Fi, and light-filled spaces with city views —providing a peaceful retreat from the bustle outside.

We are confident in offering highly competitive rates for a standard hotel in Sydney's city centre.

While many hotels across Australia are unable to price according to their respective classifications, we remain committed to providing fair, competitive, and category-appropriate rates throughout the year.

We would be most grateful if you would kindly consider including Central Studio Hotel Sydney in your annual planning, and we look forward to the opportunity to welcome your guests.

If you have any questions regarding our property—including the possibility of an annual contract or arranging a site inspection —please do not hesitate to contact me at any time. It would be my pleasure to assist you.

We would also appreciate it if you could share this information with your team and visit the hotel for an inspection at your convenience.

I look forward to receiving your corporate enquiries or arranging a site inspection soon.

Warm regards,
Senn Inoue
