

A BEGINNER'S GUIDE TO MONA

X +
MUSEUM OF OLD
AND NEW ART

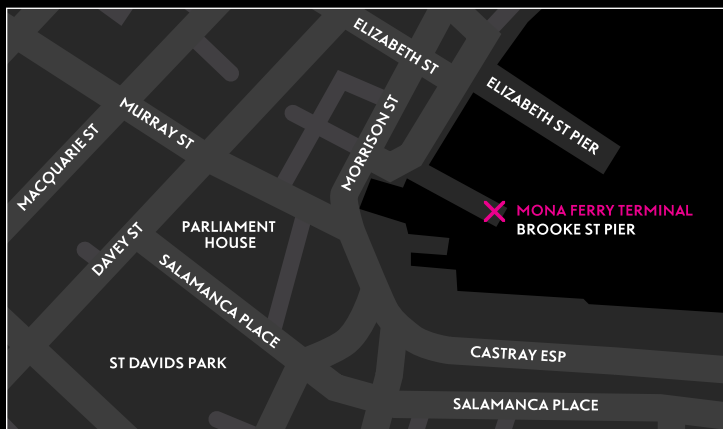

Thanks for booking A Beginner's Guide to Mona.

You'll find everything you need to get
the most out of your day below.

GETTING TO MONA

You're booked on the 10.15am Mona Roma fast ferry from Brooke Street Pier in Hobart, Tasmania. Please be at the ferry terminal 15 minutes before your departure time. The journey to Mona (in Berriedale) will take around 30 minutes.

ONCE YOU GET HERE

A member of our team will greet you on the jetty landing and guide you into the museum, where you'll be free to explore until your wine tasting and lunch booking.

MOORILLA WINE TASTING

Ascend to The Source Restaurant at 12pm for a seated tasting of five highlight wines from Moorilla and Domaine A. The Source is in the Ether building, at the very top of the site. If you're having difficulty finding it, just ask a Mona staff member and they'll point you in the right direction.

LUNCH

With your taste buds enlivened, flow straight into a relaxed three-course lunch at The Source Restaurant, accompanied by your choice of two wines from the tasting, and a hot beverage to finish. The lunch will conclude with a memento to remember us by, courtesy of your Mona Host.

REST OF THE DAY

Once you're finished with lunch, your time is your own again—you're booked on the 5pm ferry back to Hobart, so feel free to head back into the museum, explore the grounds, settle down with a glass of something over live music on the lawns, etc. If you'd like to jump on an earlier ferry, there's a button on your mobile tickets or you can chat to the box office on site.

OTHER USEFUL INFORMATION

- The Source Restaurant can cater to dietary requirements, but can't guarantee zero traces of allergens. Please let us know in advance if you have any dietary requirements: bookings@mona.net.au or +61 (3) 6277 9978.
- We recommend you download Mona's app—The O—before you visit. Find it in your app store of choice.
- For our full terms and conditions (including our cancellation policy), please check our website.
