2026 ITO Rate Sheet

Rates valid until 31st March 2027

ABOUT IRUKANDJI

A brilliant new interactive Aquarium and one-of-a-kind Aussie experience, featuring two, 1 million litre natural style lagoons. Formerly located at Bobs Farm, Irukandji is a wonderful family business, now located at 2 Jessie Road, ANNA BAY; right on the roundabout at Nelson Bay Road and Port Stephens Drive.

Guided by a mission to inspire change, visitors are invited on a transformative marine education and conservation journey. Beyond the glass walls of traditional aquariums, real encounters replace observation — offering the chance to confront fears and form lasting connections with the ocean's most misunderstood inhabitants, Sharks & Rays.

Less than a 3-hour drive from Sydney, 1 hour drive from the Hunter Valley, 40mins from Newcastle & only 13 mins out of Nelson Bay CBD. Irukandji has two bus stops out the front & has ample coach parking. Operating since 2014 in the old location and since 2020 in Anna Bay, Irukandji had already taken the world by storm including **Irukandji has achieved a top TripAdvisor ranking: #1 out of 167 things to do in Port Stephens**. Passionate about working for a great cause, Irukandji was recently awarded **BRONZE** at the 2023 NSW Tourism Awards in the Take3fortheSea Litter Prevention Award. A favourite with locals & tourists alike, it's well on the way to being an international 'must do' in Australia.

This year we have a retail rate increase for our Discovery Encounter, as it was impossible to carry on without passing on the huge increases onto us. We have tried our best to keep that pressure off the inbound industry by only increasing Nett Rates for two packages only. We hope this slight increase proves beneficial in these trying times.

ITO Rates 1/4/26 - 31/3/27
