An aerial photograph of a tropical resort. A large, long building with a brown tiled roof and a balcony is situated on a lush green island. A wooden pier extends from the shore into the turquoise water, where a blue and white ferry boat is docked. The boat has "SUNLOVER" and "FITZROY ISLAND" written on its side. The water is clear, showing the sandy bottom and some coral reefs. The background is filled with dense tropical forest.

ADULT
CHILD

\$23.00
\$23.00

SUMMARY

After a 500m walk, visit the island HQ of volunteer organisation Cairns Turtle Rehabilitation Centre where sick and injured turtles are nursed back to health. The tour leader provides an informative presentation about breeds of turtles in the area and discusses common hazards for turtles who result in their care. The turtles are cared for by volunteers, and the hope is to rehabilitate them to be released back into the wild when returned to good health. All ticket revenue is donated back.
