| SUMMARY                                   | Guests will start their day cruising from Cairns aboard Sunlover's comfortable, air-conditioned catamaran to the spectacular Moore Reef Pontoon. With roughly 2 hours at the pontoon, they can take part the activities included such as glass bottom boat and snorkelling or optional activities such as Seawalker After that they'll experience an unforgettable finale: a 25-minute scenic helicopter flight with Zoom Helicopters over the Great Barrier Reef and back to Cairns. Upon arrival at the Zoom Hangar at the Cairns General Aviation Airport, a complimentary shuttle transfer will return guests to the Reef Fleet Terminal.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                |
